# MSc FINANCE

Drawing on a solid and rigorous theoretical foundation, the **MSc in Finance** is a professional oriented programme, developed in close collaboration with the top Portuguese financial institutions.

Taught by a first class national and international Faculty, the MSc in Finance has been producing highly-skilled financial specialists for more than ten years. Our mission is to train and produce highly-qualified students that can hold prominent positions within the financial services sector, either in industry or in service-producing companies, in Portugal and abroad.
