 Singapore

 South Korea

 Sweden

 Trinidad and Tobago

 Turkey

 United Kingdom

“The international experience I received at UOIT is unparalleled. I have gone on exchanges to England and Austria as well as participated in a work term in China. One week I would be working on a project in a Hong Kong-based start-up, the next I would be backpacking through the Middle East. These experiences have had a considerable impact on my personal growth and career development.”

## GREGORY ROZDEBA

Bachelor of Commerce (Honours) in Finance

Inside Sales Representative, Hewlett-Packard Company, Mississauga, Ontario
