Contributions to Workshops and Conferences 2005 to 2023

- 18th March 2005: Annual conference of the Schweizerische Gesellschaft für Volkswirtschaft und Statistik in Zürich: „Determinants of Different Abatement Technologies“
- 14th June 2005: International OECD conference in Washington D.C. „Public Environmental Policy and the Private Firm“: „End-of-Pipe or Cleaner Production? An Empirical Comparison of Environmental Innovation Decisions across OECD Countries“
- 22th September 05: Association of professors of business economics „Innovationen für nachhaltige Entwicklung“ in Oldenburg: „End-of-Pipe or Cleaner Production? An Empirical Comparison of Environmental Innovation Decisions across OECD Countries“
- 29th Sept. 2005: Workshop of the European Environment Agency“ in Copenhagen: „Indicators for Sustainable Innovation“

- 20th October 2005: Invitation of the Institute for Prospective Technological Studies (IPTS) of the European Commission in Seville, Spain: “Indicators and quantitative methods for measuring (eco-) innovation and implications for research policy”
- 25th November 2005: Invitation of the Norwegian School of Management (BI) in Oslo: “Environmental Innovation – Results of an International OECD Project”
- 3rd - 7th July 2006: 3rd World Congress of Environmental and Resource Economists in Kyoto: “Determinants of Environmental Innovation - New Evidence from German Panel Data Sources”
- 12th July 2006: Research Conference of the Group on Organizations and the Natural Environment (GRONEN), University of St. Gallen: “Determinants of Environmental Innovation – New Evidence from German Panel Data Sources”
- 21th June 2007: Workshop of the EU - project “Measuring Eco-Innovation” in Brussels: “Propositions for the use of the Community Innovation Survey (CIS) for the analysis of Eco-Innovation”
- 3rd July 2007: Workshop of the Institute for Economic Research (IWH) in Halle: “Determinants of Environmental Innovations”
- 16th July 2007: Invitation of the Faculty of Economics of the University of Augsburg: “Environmental Innovation and Employment”
- 17th January 2008: DIME Workshop on Empirical Analyses of Environmental Innovation, 17th - 18th January 2008, Fraunhofer ISI, Karlsruhe: “Determinants of environmental innovation - Theoretical concepts and empirical evidence from different data sources”
- 8th February 2008: Workshop of the EU - project on “Measuring Eco-Innovation” in Brussels: “Survey analysis using panel data”
- 18th April 2008: Workshop of the Freie Universität Berlin (FU) on “Perspektiven der Ökologischen Industriepolitik”: „Bedeutung (umwelt-) politischer Instrumente für Entstehung und Diffusion von Umweltinnovationen aus theoretischer und empirischer Sicht“, financed by the German Federal Environmental Agency
- 12th Sept. 2008: DIME International Conference “Innovation, sustainability and policy”, 11th - 13th September 2008 in Bordeaux: “The Impact of Innovation Activities

- on Employment in the Environmental Sector - Empirical Results for Germany at the Firm Level”
- 25th Sept. 2008: Annual conference 2008 of the Verein für Socialpolitik, 23th to 26th September 2008 in Graz: “The Impact of Innovation Activities on Employment in the Environmental Sector - Empirical Results for Germany at the Firm Level”
- 18th April 2009: Annual conference of the Arbeitskreis Politische Ökonomie from 17th to 19th April in Mainz: “The Impact of Innovation Activities on Employment in the Environmental Sector – Empirical Results for Germany at the Firm Level”
- 11th May 2009: Workshop of the University of Utrecht on “Environmental Innovation, Industrial Dynamics and Entrepreneurship” from 11th to 12th May 2009 in Utrecht: “Determinants and specificities of eco-innovations – An econometric analysis for France and Germany based on the Community Innovation Survey”
- 30th October 2009: Presentation in the Ministry of Economy and Planning in Riyadh: “Economic effects of the introduction of minimum wages in Saudi Arabia”
- 8th December 2009: Bund-Länder-Workshop „Umweltinnovationen fördern und umsetzen“ in Berlin: „Umweltinnovationen messbar machen: Aktuelle Forschungsergebnisse“
- 18th May 2010: Workshop of the Nottingham University Business School: “Determinants of different types of eco-Innovations – regulatory push/pull versus market pull factors”
- 18th June 2010: Expert at the OECD Workshop on “Selected Eco-Innovations” in Paris
- 1st July 2010: 4th World Congress of Environmental and Resource Economists in Montreal: “Determinants and Specificities of Eco-innovations - An Econometric Analysis for the French and German Industry based on the Community Innovation Survey”
- 6th October 2010: Workshop of the Centre for European Economic Research (ZEW) in Mannheim on “Regulation and Management of Innovations Towards Sustainable Development“: „Determinants of Eco-innovations in different technology

areas - Results for Germany based on the Community Innovation Survey 2009“

- 13th May 2011: Conference of economists at universities of applied sciences on „Ökonomie der Nachhaltigkeit“ in Jena from 11th to 13rd May 2011: “Determinants of Eco-innovations by Type of Environmental Impact - Results for Germany based on the Community Innovation Survey 2009”
- 17th June 2011: 9th International Conference of the European Society for Ecological Economics in Istanbul, June 14-17, 2011: “Determinants of Eco-innovations by Type of Environmental Impact - Results for Germany based on the Community Innovation Survey 2009”
- 1st July 2011: 18th Annual Conference of the European Association of Environmental and Resource Economists in Rome, June 29th - July 2th, 2011: “Determinants of Eco-innovations by Type of Environmental Impact - Results for Germany based on the Community Innovation Survey 2009”
- 22th March 2012: Workshop of the Centre for European Economic Research (ZEW) in Mannheim on “Lead Market-Strategies: First Mover, Early Follower und Late Follower“: „Lead Markets for Clean Coal Technologies: A Case Study for China, Germany, Japan and the USA“
- 26th April 2012: Invitation as expert to an international Workshop of the German Institute for Economic Research in Berlin: “Methods to estimate the gross employment effects of environmental protection”
- 10th May 2012: Moderation of the workshop „Wirtschaftspolitik für mehr Innovationen - Instrumente zwischen notwendiger Lenkung und Freiheit“, invitation of the Heinrich-Böll-Stiftung in Berlin
- 28th June 2012: 19th Annual Conference of the European Association of Environmental and Resource Economists in Prague, June 27th - June 30th, 2012: “Environmental Innovation and Employment Dynamics in different Technology Fields - An Analysis based on the German Community Innovation Survey 2009”
- 3rd/4th Oct. 2012: Lectures at the conference of the Fundação Dom Cabral in Belo Horizonte (Brazil): “Determinants of Eco-innovations by Type of Environmental

Impact - Results for Germany based on the Community Innovation Survey 2009” and „Policies and Ways to stimulate Eco-Innovation – A European and German Perspective” (as key note speaker)

- 11th December 2012: Conference of the Konrad-Adenauer-Stiftung in London: „The importance of green jobs for sustainable growth“
- 14th December 2012: Workshop of the German Ministry for Environment on „Globale Diffusion von Umweltinnovationen“: „Energieeffiziente Kohlekraftwerke – Eine Fallstudie für China, Deutschland, Japan und die USA“ in Berlin
- 21th January 2013: Workshop of the Università di Ferrara on Eco-Innovation. “Eco-Innovation and Employment: Results for Germany at the firm level”
- 4th March 2013: Expert invitation to a workshop of the European Commission DG Research and Innovation, Unit C1 Innovation Policy on "The impact of regulation on innovation" in Brussels
- 31th May 2013: Workshop of the European Journalism Centre “Eco-innovation in the financial crisis”: “The importance of eco-innovation for employment and performance” in Brussels
- 17th June 2013: 35th DRUID Celebration Conference 2013 in Barcelona, June 17-19: “Do eco-innovations need specific regional characteristics? An econometric analysis for Germany Barcelona”
- 27th June 2013: 6th Summer Conference in Regional Science of the German speaking section of the European Regional Science Association in Dortmund, June 27-28, 2013: “Do eco-innovations need specific regional characteristics? An econometric analysis for Germany”
- 5th Sept. 2013: Annual conference of the Verein für Socialpolitik in Düsseldorf, September 4-7, 2013: “Do eco-innovations need specific regional characteristics? An econometric analysis for Germany”
- 25th Sept. 2013: International Workshop on Eco-Innovation at the University of Ferrara, September 24-25, 2013, Ferrara: “Do eco-innovations need specific regional characteristics? An econometric analysis for Germany”
- 27th Sept. 2013: Conference of the Centre for European Economic Research (ZEW) in Mannheim on “Der Weltmarkt für Umwelttechnologien: Brauchen wir eine neue Vorreiterpolitik”: „Energieeffiziente Kohlekraftwerke”
